

IEA SHC Task 68
*“Efficient Solar District Heating Systems -
 Considering higher temperatures and digitalization measures”*
2nd Expert Meeting
9th - 10th of November 2022, ONLINE

Registration Form:

Name:	
Company/Institution:	
Organization type: <i>(Industry/Research)</i>	
Country:	
E-mail:	
<p>I am especially interested in (delete the options you are not interested in, for more information see https://task68.iea-shc.org/subtasks):</p> <p><i>(Subtask A – Concepts for Efficiently Providing Solar Heat at Medium-High Temperature Level)</i> <i>(Subtask B – Data Preparation & Utilization)</i> <i>(Subtask C – Business Models)</i> <i>(Subtask D – Use Cases and Dissemination)</i></p>	
I can provide input regarding:	
<p>I would be interested in (delete the options you not interested in):</p> <p><i>(Writing a joint research paper)</i> <i>(Draft a joint project proposal)</i> <i>(Exchange ideas regarding standardization)</i> <i>(....)</i></p>	
I would like to present a project/activity at the Task meeting:	<i>(yes/no)</i>
Participation on 9th of November 2022 (Task meeting day 1):	<i>(yes/no)</i>
Participation on 10th of November 2022 (Task meeting day 2):	<i>(yes/no)</i>

Registration Fee:

There is no registration fee, the participation is free of charge!

Registration:

Please fill in the table above and return it via **E-mail** to Viktor Unterberger
