Connecting the green transformation, social inclusion and local democracy

Circular and regenerative approaches for the built environment

Innovative funding and new business models for the transformation of neighbourhoods

Horizon Europe:
Approx.
120 million €/year

Roll-out component

Technical assistance to local public authorities

Building renovation and repurposes

Competences and skills

Bringing solutions to markets

Scaling up solutions

Capacity building to SMEs

Same level of ambition for funding (EU, private and national funds)

New European Bauhaus

NEB Facility: Consultations

Aim: Make sure that the NEB Facility is built as close as possible to the needs of Member States and stakeholders

Duration

Questionnaire open until 17 September.

Scope

- R&I and roll-out components of the NEB Facility
- Inputs will feed the Roadmap for the NEB Facility (expected in Autumn 2024)

Format

- On-site and online meetings and workshops
- Questionnaires to gather inputs from
  - SPC delegates
  - New European Bauhaus and Horizon Europe National Contact Points
  - NEB Community
  - Stakeholders

NEB Facility: Implementation arrangements

Advice: expert group

Strategic decisions

R&I component:

- Strategic configuration of Horizon Europe Programme Committee

Roll-out component:

- Comitology of EU programmes supporting the NEB
- Specific decisions for funds in shared management

Implementation

European Commission:

- JRC coordinates
- Inter-service working group on NEB

Support at the national level:

- Horizon Europe National Contact Points (for R&I component)
- NEB NCPs (for consultations, synergies between both components, etc.)
- Managing Authorities

Coordination: JRC.B4
