## EUROPEAN CONFERENCE AND COOPERATION EXCHANGE ON SUSTAINABLE ENERGY SYSTEMS 2005

## FIRST ANNOUNCEMENT AND CALL FOR PAPERS

VIENNA, AUSTRIA  
OCTOBER 5TH - 8TH, 2005

# WE ARE PLEASED TO INVITE YOU TO THE EUROPEAN CONFERENCE AND COOPERATION EXCHANGE ON SUSTAINABLE ENERGY SYSTEMS

IN VIENNA, AUSTRIA  
ON OCTOBER 5TH – 8TH

ORGANISED IN THE FRAMEWORK  
OF THE INTERREG III B  
PROJECT CER<sup>2</sup>.

Further Information about the congress, the brokerage event, the technical tours and the registration under [www.irca.at/energy](http://www.irca.at/energy) and [www.arsenal.ac.at](http://www.arsenal.ac.at)

## CONGRESS SCHEDULE

The conference will be held as a four days event (2 days conference, 1 day cooperation exchange, 1 day technical tour), starting on Wednesday 5<sup>th</sup> October, 2005. The congress structure is based on practically oriented plenary and parallel sessions and poster exhibitions as well as cooperation talks on renewable energy and energy efficiency.

The congress provides a platform for exchange of information and contacts for Central European research institutions, consultants and companies. Participants from the new EU member states and accession countries are strongly encouraged to come to Vienna. We offer special conference packages for participants from these countries.

## PLENARY AND PARALLEL SESSIONS

The conference offers lectures on the EU Building Performance Directive, on Eco-Buildings (built good practice examples) and Eco-Regions (reports from ongoing Concerto Projects). Focus of good practice presentations is on technical excellence as well as on economical feasibility.

## BROKERAGE EVENT

The brokerage event is an exceptional opportunity to meet innovative companies, research organisations and public administrations through personal one-to-one meetings to discuss a possible form of cooperation for research, license, production and distribution agreements. The meetings are planned in accordance with the wishes of the participants and on previously selected matched technology profiles from the renewable energy event catalogue.

## SCHEDULE DEADLINES

### Submission of abstracts (paper and poster presentations)

Authors wishing to submit their contribution are invited to send their abstracts to the congress office ([events@arsenal.ac.at](mailto:events@arsenal.ac.at)) until April 30<sup>th</sup>, 2005. Abstracts should not exceed one A4 page and should contain title of paper, author(s), affiliation(s), address(es), phone and fax numbers as well as e-mail address(es). Notification on acceptance of abstracts with instructions for manuscript preparation will be sent to the authors by May 31<sup>st</sup>. Printable manuscripts are to be sent to the congress office until September 9<sup>th</sup>.

We invite you to submit abstracts for paper or poster presentations on the following topics: Sustainable energy systems for buildings | Sustainable energy systems for regions | Integration of renewable energies in buildings - innovative buildings (technical and economical aspects) | Sustainable heating and cooling | Simulation tools for building optimisation | Ventilation in residential buildings | Energy consumption in buildings - data monitoring | Cluster activities in the building sector

### Submission of technology profiles

Deadline for submission of technology profiles at [www.irca.at/energy](http://www.irca.at/energy): 5<sup>th</sup> September, 2005.  
Deadline for selection of personal one to one meetings from the event catalogue: 22<sup>nd</sup> September, 2005.

## CONGRESS LANGUAGE

The official language of the congress and the cooperation talks will be English.
